# CORPORATE PHILOSOPY

## BACKGROUND INFORMATION

Islam Aftab Kamrul & Co., Chartered Accountants (IAK) was established in 1993, under The Institute of Chartered Accountants of Bangladesh (ICAB) with a mission to continually adding value by helping clients succeed under the firm's name and style of Islam Aftab Kamrul & Co., Chartered Accountants (IAK). Initially, two founding partners (Senior Fellow members of the Institute of Chartered Accountants of Bangladesh – (ICAB)) started their independent practice as public accountants and the firm is in public practice for more than 32 years. The then largest partnership firm was founded with a vision to build an institution which would foster an environment for leadership, continuous growth, learning, and collaborations. Over the past the firm has become one of the leading and most reputable chartered accountancy firms in Bangladesh with global affiliations. At present, IAK has five partners whose expertise in audit, accounting, review, business consulting, business process outsourcing, technology solutions and taxation has established the firm as a multidisciplinary organization. All the partners have many years of experience of working both at home and abroad and with international consultants and organizations operating locally and globally. IAK has been regarded as one of the top firms of chartered accountants in the country context and has significant exposure in the corresponding market.

## CURRENT STRUCTURE & STRENGTH

At present IAK consists of five partners (All are Fellow members of the ICAB) with an experience of over 32 (Thirty Two) years having diverse expertise in auditing of various national and multinational organizations, accounting, taxation, secretarial service, corporate finance, stocks and security management, management consultancy, information technology advisory, consultancy in public offering and fund raising, feasibility and market study, and review of financial management system etc. IAK with its primary business office at Gulshan also operates a branch office at Mirpur for operational purpose. Both offices of IAK are well equipped with adequate logistic and manpower to support the ever-growing needs of clients. Our major strength is our exposure and experience in the statutory audit of Multinational Companies, Listed Companies, Banks, Non-Banking Financial Institutions, Insurance, Government and Semi-Government Body, Autonomous Body, Not-for-profit organizations, Development Projects, Branch and Liaison Offices.
